Dear Hiring Team at Summer-Browning Associates,

My name is Elvis Frank Canchari Lapa, and I am very interested in the Atlassian Application Support Engineer position you have posted. With over a decade of experience deploying Atlassian products for Agile, Waterfall, and ITSM projects, and an additional four years enhancing these deployments with DevOps processes using tools like Terraform, Ansible, Docker, and Kubernetes, I am excited about the opportunity to contribute to your team.

My expertise spans complex migrations, integrations, and process automation in diverse environments including on-premises and cloud platforms like AWS and Azure. I have successfully implemented projects across various sectors including finance, telecommunications, public institutions, education, engineering R+D+i, and IT consulting. Notably, I have worked with Atlassian Gold and Platinum Partners such as XALT, NTT Data, Itera Process, Econocom, and AtSistemas, which has refined my skills in system deployment, software development, consulting, pre-sales, and training.

Here are some of the key sectors and partners I have collaborated with:

- **Finance & Banking:** EEX, Santander UK, Santander Spain, Caja Rural
- **Telecommunication**: VirginMedia UK, Ufinet (Lyntia), Vodafone Spain
- **Public Institutions**: NHS, Andorra Government, Justice Ministry of Spain, Tenerife Town Hall
- **Education**: UCM, URJC, Comillas Pontifical University
- **Engineering** R+D+i: L3 Harris, Temansa
- **Atlassian Partners**:
  - XALT
  - NTT Data
  - Itera Process
  - AtSistemas
  - Econocom

I am currently engaged in a cloud migration project as an Atlassian & DevOps SME on an Outside IR35 contractor role, which I will be concluding by the if April. My daily rate for this role is £650/day but I'm flexible to negotiate for a perm position.

Please find my CV attached and for more details, you can visit my online CV at https://canchari.info. If you wish to discuss my application further, feel free to schedule a meeting at https://calendly.com/efcanchari/30-minute

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasms align with the needs of your team.

Warm regards,

Elvis Frank Canchari Lapa

Atlassian Community Leader / Atlassian Certified Expert Emeritus / DevOps SME
